

MARCH 2021

.NET DEVELOPER – FULL-TIME OR PART-TIME

Triple P – Positive Parenting Program is one of the world's most effective parenting programs, designed to give parents the skills they need to raise confident, healthy children and teenagers and to strengthen family relationships. Due to continued growth, we are currently seeking the following to join our Head Office team based in Indooroopilly.

The Role

Newly created role - utilise programming and coding skills to work on various IT projects, website upgrades and design.

- Work across various IT projects to provide development support
- Perform software installations and updates
- Ongoing development of existing IT solutions
- Research and development of new project and systems
- Work with the IT team to design, develop, implement and maintain websites
- Assist in the design, coding, programming and testing of technical solutions
- Support the IT team as required.

The Person

To be considered for the Developer role, you must possess:

- .NET skills and ideally JavaScript
- Working knowledge of PHP
- Experience working in a commercial IT environment
- IT project exposure
- Tertiary level or equivalent education/experience
- Strong verbal and written communication skills

The Company and Benefits

Join our team to make a difference in families lives and work for an international, socially aware organisation, with potential to develop your career. Triple P offer:

- Flexible working and hours
- Onsite parking and great office environment
- Opportunity to contribute to the operations of a world-renowned social program

Triple P is an equal opportunity employer. All applicants and employees are treated on their merits.

To apply please contact send your CV and covering letter to recruitment@triplep.net
