

TRIPLE P RESEARCH NETWORK EARLY CAREER RESEARCH AWARD

DESCRIPTION OF AWARD

The purpose of this award is to recognize research which exhibits excellence and innovation contributing to the scientific basis of Triple P. The award will serve as recognition of outstanding contribution to research in the Triple P system.

SELECTION CRITERIA

Anyone who wishes to be considered for the prize should write a 1-page summary document briefly addressing the following:

- What is the research question being addressed and what was the state of knowledge on this issue before the research?
- What was the research design and methodology?
- What were the findings? How does this research contribute to the state of knowledge?

AWARD ELIGIBILITY

An organisation, supervisor, or colleague can nominate a researcher for the award. Anyone conducting research, up to 5 years post-graduation (including graduate studies), that contributes to the scientific basis of the Triple P system is eligible for this award.

AWARD DESCRIPTION

The recipient of this award shall receive a specially designed plaque and a selection of Triple P materials. In addition, the recipient will receive recognition at the Helping Families Change Conference.

NOMINATION COMPLETION AND SUBMISSION

All nominations must be fully completed and submitted to the Parenting and Family Support Centre by the nomination deadline in order for the nominee to be considered as a candidate for the award. To complete the nomination, please submit the nomination form by 30th September 2019, by email to: alina@psy.uq.edu.au.

Each qualified nomination will be evaluated based on the award's selection criteria. The nomination should highlight how the candidate has fulfilled the award selection criteria. For questions or for more information, please contact Dr Alina Morawska +61 7 3365 7304 or alina@psy.uq.edu.au.
