### Notes

- All costs include GST and are valid to 30 June 2022.
- This training course package and the costs indicated only apply to the School Readiness Funding initiative.
- If trainees do multiple courses at the same location, they may be able to undertake Extension Courses instead, which can reduce the number of training days/costs. Please email [vicsrf@triplep.net](mailto:vicsrf@triplep.net) for more information.
- If your service or centre would like to train more than 10 people, we can run courses specifically for your team, allowing more flexibility on dates/venue. Please email [vicsrf@triplep.net](mailto:vicsrf@triplep.net) for more information.
- The training is also available via videoconference and will take the same time as in-person training. There is the possibility of adjusting the scheduling of the training if participants are unable to attend a full day of training via videoconference. Each participant will still receive a comprehensive set of training resources in the videoconference training.
